Changes have been made to the Cabinet paper

Some arise from your discussions with Minister McCully

1. Paragraphs 8 and 11, which outline the decision-making process for quota refugees, have been added. S 6(a)

[REDACTED] These paragraphs include details of security measures undertaken. Paragraphs 12 – 16 have been reordered.

Additions have been made to the paper to respond to Treasury's issues

2. Paragraphs 24 and 25 have been amended to present the proposed building of the new accommodation blocks and classrooms more clearly as a variation to the existing rebuild of the Mangere Refugee Resettlement Centre.
3. Recommendation 13 therefore now asks Cabinet to agree in principle additional funding for the building of a new block of three classrooms, subject to final approval from Investment Ministers in June 2016.
4. We do not believe there are any more issues to resolve with Treasury but this has not been confirmed.
