**Vision**

**Do you agree or disagree with the overall vision for the minerals and petroleum sector in New Zealand?**

Strongly disagree

**Why?**

New Zealand is leading the world on its care for our environment - how will the Government look if/when there is an oil spill because of another Countries wealthy Oil-Baron..? Electric vehicles are now on are roads, in another 10 - 20 years there will be no need for oil, and any prophets by then will be very small.. Let New Zealand show the world what prime minister Jacinda Ardern is doing for global warming by putting a complete stop to all New Zealand minerals and petroleum sales, today and for the future; 'let's do this'..!

**What is your vision for the minerals and petroleum sector in New Zealand?**

Stop them all together..! Global Warming is real, just look at the pacific Islands and the sea levels raising plus the extreme weather changes..

**How can New Zealand sustainably derive value from its petroleum and minerals resources?**

Oil is our future "plastic" ! It was supposed to be the best thing since sliced bread, not we can't get rid of the stuff.....

**Objectives for the minerals and petroleum sector**

**Objective for a sector that: “Responsibly delivers value for New Zealand (a) Supporting a productive, sustainable and inclusive economy (b) Supporting New Zealand's transition to a carbon neutral economy”.**

Agree

**Why?**

Oil if New Zealand's future "plastic", we can't even sell the bloody awful stuff...

**Objective for a sector that: “Is productive and innovative”.**

Neither agree nor disagree
