**Business name or organisation (if applicable):**

**Position title (if applicable):**

**Is this an individual submission or on behalf of a group or organisation?**

Individual

**Please indicate which group you most identify with or are involved in?**

Environmental

**Please specify the group that you most identify with**

**Please indicate which type of group your submission represents**

**Please specify the group or organisation that your submission is on behalf of.**

**Vision**

**Do you agree or disagree with the overall vision for the minerals and petroleum sector in New Zealand?**

Strongly disagree

**Why?**

We cannot keep extracting oil and gas. It is a failing sector

**What is your vision for the minerals and petroleum sector in New Zealand?**

A transitioned sector that uses hydrogen at the pumps and ev charge points and works to transition from petroleum based products to bioplastics.

**How can New Zealand sustainably derive value from its petroleum and minerals resources?**

It has to transition now because petroleum is not sustainable.

**Objectives for the minerals and petroleum sector**

**Objective for a sector that: “Responsibly delivers value for New Zealand (a) Supporting a productive, sustainable and inclusive economy (b) Supporting New Zealand's transition to a carbon neutral economy”.**

Strongly disagree

**Why?**

How can you burn oil and be carbon neutral?

**Objective for a sector that: “Is productive and innovative”.**

Agree

**Why?**

Yes innovative a new business model that utilised infrastructure and knowledge and lead the change to a green economy.

**Objective for a sector that: “Is effectively regulated”.**

Strongly agree

**Why?**

Regulate a phasing out of petroleum

**Are there any other objectives for the minerals and petroleum sector that you would like us to consider in the strategy?**

Support the

**Guiding principles**

**Principle: The environment, ecosystems, and biodiversity are respected now and in the long term.**

**Why?**

Industry to transition and reach out to wider sectors to assist

**Principle: Māori cultural interests are understood and respected.**

Disagree

**Why?**

Offshore drilling and environmental impacts on land

**Principle: Support the transition to a carbon neutral economy by 2050.**

Strongly disagree

**Why?**

Carbon neutral means decarbonise transport, economy, and grid.

**Principle: The impact on people, communities and regions are managed in a just and inclusive way.**

Strongly agree

**Why?**

People should have a say and every voice heard

**Principle: Support a circular economy by meeting resource needs through resource efficiency, recycling and reuse.**

Strongly agree

**Why?**

Materials innovation is an important part of circular economy.

**Principle: Actions taken within the mineral and petroleum sector should align with the strategic direction of other related sectors and Government strategies.**

Strongly agree

**Why?**

Green economy

**Do you agree or disagree with each of the following principles for the Crown?**

**Principle: The Crown honours its duty towards Māori as a Treaty partner, adheres to the Principles of the Treaty of Waitangi and its duty to meet settlement commitments.**

Agree

**Why?**

**Principle: The Crown receives a fair financial return for its minerals and petroleum.**

Neither agree nor disagree

**Why?**

**Principle: The Crown regulates in a way that is fair, transparent, reasonable and proportionate.**

Disagree

**Why?**

**Principle: The Crown honours the rights of current permit holders to continue production or exploration activities under existing permits.**

Strongly disagree

**Why?**

This needs to be rescinded.

**Principle: The Crown makes policy decisions based on the best evidence, and accounting for the foreseeable need for minerals and petroleum, both now and for future generations.**

Strongly disagree

**Why?**

Investment in a failing sector when there is a climate crisis is not looking after future generations.

**Principle: The Crown proactively engages and consults with relevant stakeholders and decisions are communicated in a clear and transparent way.**

Agree

**Why?**

**Do you agree or disagree with each of the following principles for Industry?**

**Principle: Pursue continuous improvements in health and safety.**

Strongly agree

**Why?**

**Principle: Strive to implement industry best practice in operations.**

Strongly agree

**Why?**

**Principle: Seek innovative ways to improve the resource efficiency of extraction operations; and minimise the negative impacts of these operations.**

Strongly agree

**Why?**

**Principle: Engage with stakeholders and implement management systems to understand and manage impacts, and realise opportunities for redress where needed.**

Strongly agree

**Why?**

Should be happening already

**Are there any other principles you would like us to consider in the strategy?**

**Action areas intro**

**Action Area: Modernising the Crown Minerals Act**

Strongly agree

**Why?**

Outdated

**What future actions would you like us to consider under this Action Area?**

Green investment and materials innovation

**Action Area: Securing affordable resources to meet our minerals and energy needs**

Strongly agree

**Why?**

Alternative fuels

**What future actions would you like us to consider under this Action Area?**

Hydrogen grid and transport

**Action Area: Improving Treaty partnership**

Strongly agree

**Why?**

It is important

**What future actions would you like us to consider under this Action Area?**

**Action Area: Improving stakeholder and community engagement**

Strongly agree

**Why?**

**What future actions would you like us to consider under this Action Area?**

**Action Area: Improving industry compliance**

Strongly agree

**Why?**

**What future actions would you like us to consider under this Action Area?**

**Action Area: Research and investment in better mining and resource use**

Disagree

**Why?**

Better mining really?

**What future actions would you like us to consider under this Action Area?  
Are there any other action areas you would like us to consider as part of advancing this Strategy?**

**Other**

**Are there any other comments you would like to make about the “Minerals and Petroleum Strategy for Aotearoa New Zealand: 2019-2029”?**

The times they are a changin. Lead not proceed as normal.

**If you wish to, attach a document to this submission.**

**Use and release of information**

**We intend to upload submissions to our website at [www.mbie.govt.nz](http://www.mbie.govt.nz). Can we include your submission on the website?**

Yes

**Can we include your name?**

No

**Can we include your email address?**

No

**Can we include your business name or organisation?**

No

**Can we include your position title?**

No

**Can we include the group you most identify with (if submitting as an individual)?**

Yes

**Can we include the group your submission represents (if submitting on behalf of a group or organisation)?**

**If there are any other parts to your submission that you do not want public on the website please note them below:**

**OIA publishing warning**

**If there is information in your submission that you wish to remain confidential, please note them below:**
