Vision

Do you agree or disagree with the overall vision for the minerals and petroleum sector in New Zealand?

Agree

Why?

It succinctly says the sector will continue but that it needs to consider the future, the environment and social impacts

What is your vision for the minerals and petroleum sector in New Zealand?

That they not be invasive on landscapes and our environment, that petroleum demand will be significantly lowered and so extraction will be minimal. That New Zealand will be truly clean and green with most of our energy requirement served by sustainable renewable energy.

How can New Zealand sustainably derive value from its petroleum and minerals resources?

I really don't know

Objectives for the minerals and petroleum sector

Objective for a sector that: “Responsibly delivers value for New Zealand (a) Supporting a productive, sustainable and inclusive economy (b) Supporting New Zealand's transition to a carbon neutral economy”.

Strongly agree

Why?

This statement is what I believe

Objective for a sector that: “Is productive and innovative”.

Strongly agree

Why?

Production needs to be efficient and responsible and innovation will be required to achieve this.

Objective for a sector that: “Is effectively regulated”.

Strongly agree

Why?

Wise and effective regulation is the key

Are there any other objectives for the minerals and petroleum sector that you would like us to consider in the strategy?

Strongly agree

Why?

Do you agree or disagree with each of the following principles for the Crown?

Principle: The Crown honours its duty towards Māori as a Treaty partner, adheres to the Principles of the Treaty of Waitangi and its duty to meet settlement commitments.

Neither agree nor disagree

Why?

The treaty interpretation has to represent the interests of both parties to the treaty

Principle: The Crown receives a fair financial return for its minerals and petroleum.

Strongly agree

Why?

Principle: The Crown regulates in a way that is fair, transparent, reasonable and proportionate.

Strongly agree

Why?

Principle: The Crown honours the rights of current permit holders to continue production or exploration activities under existing permits.

Disagree

Why?

Principle: The Crown makes policy decisions based on the best evidence, and accounting for the foreseeable need for minerals and petroleum, both now and for future generations.

Strongly agree

Why?

Principle: The Crown proactively engages and consults with relevant stakeholders and decisions are communicated in a clear and transparent way.

Strongly agree

Why?
