Business name or organisation (if applicable):

Position title (if applicable):

Is this an individual submission or on behalf of a group or organisation?

Individual

Please indicate which group you most identify with or are involved in?

Please specify the group that you most identify with

Please indicate which type of group your submission represents.

Please specify the group or organisation that your submission is on behalf of.

Vision

Do you agree or disagree with the overall vision for the minerals and petroleum sector in New Zealand?

Strongly disagree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

What is your vision for the minerals and petroleum sector in New Zealand?

To change into renewable energy sectors

How can New Zealand sustainably derive value from its petroleum and minerals resources?

By stopping the use of fossil fuels and adopting renewable energy

Objectives for the minerals and petroleum sector

Objective for a sector that: "Responsibly delivers value for New Zealand (a) Supporting a productive, sustainable and inclusive economy (b) Supporting New Zealand's transition to a carbon neutral economy".

Strongly disagree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Objective for a sector that: "Is productive and innovative".

Strongly disagree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Objective for a sector that: "Is effectively regulated".

Strongly disagree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Are there any other objectives for the minerals and petroleum sector that you would like us to consider in the strategy?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Guiding principles

Principle: The environment, ecosystems, and biodiversity are respected now and in the long term.

Strongly agree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Principle: Māori cultural interests are understood and respected.

Strongly agree

Why?

These are integral parts of New Zealand Aotearoa and Te Reo is an official language of these isles.

Principle: Support the transition to a carbon neutral economy by 2050.

Strongly agree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Principle: The impact on people, communities and regions are managed in a just and inclusive way.

Strongly agree

Why?

It is only fair and responsible to do so.

Principle: Support a circular economy by meeting resource needs through resource efficiency, recycling and reuse.

Strongly agree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Principle: Actions taken within the mineral and petroleum sector should align with the strategic direction of other related sectors and Government strategies.

Neither agree nor disagree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Do you agree or disagree with each of the following principles for the Crown?

Principle: The Crown honours its duty towards Māori as a Treaty partner, adheres to the Principles of the Treaty of Waitangi and its duty to meet settlement commitments.

Neither agree nor disagree

Why?

I strongly distrust 'the crown'

Principle: The Crown receives a fair financial return for its minerals and petroleum.

Strongly disagree

Why?

The crown has more than its fair share of financial resources.

Principle: The Crown regulates in a way that is fair, transparent, reasonable and proportionate.

Neither agree nor disagree

Why?

The crown in my opinion has never regulated in a way that is fair, transparent, reasonable and proportionate.

Principle: The Crown honours the rights of current permit holders to continue production or exploration activities under existing permits.

Strongly disagree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Principle: The Crown makes policy decisions based on the best evidence, and accounting for the foreseeable need for minerals and petroleum, both now and for future generations.

Strongly disagree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Principle: The Crown proactively engages and consults with relevant stakeholders and decisions are communicated in a clear and transparent way.

Strongly disagree

Why?

The crown has never communicated in a clear and transparent way in my opinion.

Do you agree or disagree with each of the following principles for Industry?

Principle: Pursue continuous improvements in health and safety.

Strongly agree

Why?

We do not need any more CTV Canterbury, Pike River, forestry or other industry accidents.

Principle: Strive to implement industry best practice in operations.

Strongly agree

Why?

It is in the best interest of all.

Principle: Seek innovative ways to improve the resource efficiency of extraction operations; and minimise the negative impacts of these operations.

Strongly disagree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Principle: Engage with stakeholders and implement management systems to understand and manage impacts, and realise opportunities for redress where needed.

Neither agree nor disagree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Are there any other principles you would like us to consider in the strategy?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Action areas intro

Action Area: Modernising the Crown Minerals Act

Strongly agree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

What future actions would you like us to consider under this Action Area?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Action Area: Securing affordable resources to meet our minerals and energy needs

Strongly disagree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

What future actions would you like us to consider under this Action Area?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Action Area: Improving Treaty partnership

Strongly agree

Why?

These are integral parts of New Zealand Aotearoa and Te Reo is an official language of these isles.

What future actions would you like us to consider under this Action Area?

These are integral parts of New Zealand Aotearoa and Te Reo is an official language of these isles.

Action Area: Improving stakeholder and community engagement

Strongly agree

Why?

Community is what strengthen New Zealand Aotearoa

What future actions would you like us to consider under this Action Area?

Straight forward and transparent policy freely available to all.

Action Area: Improving industry compliance

Strongly agree

Why?

We must make New Zealand workplaces safer and more just.

What future actions would you like us to consider under this Action Area?

We must make New Zealand workplaces safer and more just.

Action Area: Research and investment in better mining and resource use

Strongly disagree

Why?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

What future actions would you like us to consider under this Action Area?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.

Are there any other action areas you would like us to consider as part of advancing this Strategy?

Other

Are there any other comments you would like to make about the “Minerals and Petroleum Strategy for Aotearoa New Zealand: 2019-2029”?

We must divest in fossil fuels and invest in renewable energy for the sake of our children's futures.
