Vision

Do you agree or disagree with the overall vision for the minerals and petroleum sector in New Zealand?

Strongly agree

Why?

We have to stop with the bulk of mining, we have raped this planet since we crawled out of the swamp and it has to end.

What is your vision for the minerals and petroleum sector in New Zealand?

Downsized by about 75%

How can New Zealand sustainably derive value from its petroleum and minerals resources?

See above.

Objectives for the minerals and petroleum sector

Objective for a sector that: "Responsibly delivers value for New Zealand (a) Supporting a productive, sustainable and inclusive economy (b) Supporting New Zealand's transition to a carbon neutral economy".

Strongly agree

Why?

No one in there right mind can possible disagree.

Objective for a sector that: "Is productive and innovative".

Strongly agree

Why?

Stop acting like cavemen and just raping the ground and then using it on ignorant forms of transport ie the car. and get clever people inventing new technologies.

Objective for a sector that: “Is effectively regulated”.

Strongly agree

Why?

You have to a powerful but fair watchdog.

Are there any other objectives for the minerals and petroleum sector that you would like us to consider in the strategy?

Not right now.

Guiding principles

Principle: The environment, ecosystems, and biodiversity are respected now and in the long term.

Strongly agree

Why?

We simply have no choice, everyone will be dead in the next few hundred years if we dont get a grip of the biggest problem we have ever faced.

Principle: Māori cultural interests are understood and respected.

Agree

Why?

They were here before the white man, we should try and right all the wrongs we have visited on Maori and stop sidelining them.

Principle: Support the transition to a carbon neutral economy by 2050.

Strongly agree

Why?

Again, we wont be here much longer if we dont fix our filthy ways.

Principle: The impact on people, communities and regions are managed in a just and inclusive way.

Agree

Why?

We cant ignore people fears and hopes but as I have said, if we dont look after the planet there will be no people.

Principle: Support a circular economy by meeting resource needs through resource efficiency, recycling and reuse.

Strongly agree

Why?

Couldnt agree more.

Principle: Actions taken within the mineral and petroleum sector should align with the strategic direction of other related sectors and Government strategies.

Strongly agree

Why?

Do you agree or disagree with each of the following principles for the Crown?

Principle: The Crown honours its duty towards Māori as a Treaty partner, adheres to the Principles of the Treaty of Waitangi and its duty to meet settlement commitments.

Strongly agree

Why?

Principle: The Crown receives a fair financial return for its minerals and petroleum.

Agree

Why?

Principle: The Crown regulates in a way that is fair, transparent, reasonable and proportionate.

Strongly agree

Why?

Principle: The Crown honours the rights of current permit holders to continue production or exploration activities under existing permits.

Neither agree nor disagree

Why?

Principle: The Crown makes policy decisions based on the best evidence, and accounting for the foreseeable need for minerals and petroleum, both now and for future generations.

Strongly agree

Why?

Principle: The Crown proactively engages and consults with relevant stakeholders and decisions are communicated in a clear and transparent way.

Strongly agree

Why?

Do you agree or disagree with each of the following principles for Industry?

Principle: Pursue continuous improvements in health and safety.

Strongly agree

Why?

Principle: Strive to implement industry best practice in operations.

Strongly agree

Why?

Principle: Seek innovative ways to improve the resource efficiency of extraction operations; and minimise the negative impacts of these operations.

Strongly agree

Why?

Principle: Engage with stakeholders and implement management systems to understand and manage impacts, and realise opportunities for redress where needed.

Agree

Why?

Are there any other principles you would like us to consider in the strategy?
