### Vision

### Do you agree or disagree with the overall vision for the minerals and petroleum sector in New Zealand?

Strongly agree

### Why?

I feel we should be moving to a more environmentally conscious future.

### What is your vision for the minerals and petroleum sector in New Zealand?

For it to be phased out and replaced by renewable energy that more effectively allows for transportation and delivery to electricity.

### How can New Zealand sustainably derive value from its petroleum and minerals resources?

### Objectives for the minerals and petroleum sector

Objective for a sector that: "Responsibly delivers value for New Zealand (a) Supporting a productive, sustainable and inclusive economy (b) Supporting New Zealand's transition to a carbon neutral economy".

Strongly agree

### Why?

This will help create a safer, cleaner environment thus making for cleaner air quality and hopefully cheaper energy costs overtime.

### Objective for a sector that: "Is productive and innovative".

Agree

### Why?

Objective for a sector that: "Is effectively regulated".

Strongly agree

### Why?

It is important that this sector is held responsible for a transition to clean energy.

**Are there any other objectives for the minerals and petroleum sector that you would like us to consider in the strategy?**

**Guiding principles**

Neither agree nor disagree

**Why?**

**Principle: The Crown regulates in a way that is fair, transparent, reasonable and proportionate.**

Strongly agree

**Why?**

**Principle: The Crown honours the rights of current permit holders to continue production or exploration activities under existing permits.**

Strongly disagree

**Why?**

I feel we should transition away from off sea drilling and fracking much more quickly than has been previously guided as as it is currently this will harm our future.

**Principle: The Crown makes policy decisions based on the best evidence, and accounting for the foreseeable need for minerals and petroleum, both now and for future generations.**

Disagree

**Why?**

**Principle: The Crown proactively engages and consults with relevant stakeholders and decisions are communicated in a clear and transparent way.**

Agree

**Why?**
