### Vision

### Do you agree or disagree with the overall vision for the minerals and petroleum sector in New Zealand?

Strongly agree

### Why?

### What is your vision for the minerals and petroleum sector in New Zealand?

We use minerals and petroleum as a precious resource.

### How can New Zealand sustainably derive value from its petroleum and minerals resources?

By looking at the total cost of extraction, not just in dollar terms as against the potential benefits.

### Objectives for the minerals and petroleum sector

### Objective for a sector that: "Responsibly delivers value for New Zealand (a) Supporting a productive, sustainable and inclusive economy (b) Supporting New Zealand's transition to a carbon neutral economy".

Strongly agree

### Why?

### Objective for a sector that: "Is productive and innovative".

Agree

### Why?

### Objective for a sector that: "Is effectively regulated".

Strongly agree

### Why?

Because it is well proven that you cannot rely on individuals/organisations whose sole motive is profit to comply with the rules, Pike River anyone?

**Are there any other objectives for the minerals and petroleum sector that you would like us to consider in the strategy?**

Because it is the responsible thing to do.

**Principle: Engage with stakeholders and implement management systems to understand and manage impacts, and realise opportunities for redress where needed.**

Strongly agree

**Why?**

**Are there any other principles you would like us to consider in the strategy?**

**Action areas intro**

**Action Area: Modernising the Crown Minerals Act**

Strongly agree

**Why?**

Because we live in a very different world than when this act was passed.

**What future actions would you like us to consider under this Action Area?**

**Action Area: Securing affordable resources to meet our minerals and energy needs**

Agree

**Why?**

**What future actions would you like us to consider under this Action Area?**

**Action Area: Improving Treaty partnership**

Strongly agree

**Why?**

**What future actions would you like us to consider under this Action Area?**

**Action Area: Improving stakeholder and community engagement**

Strongly agree

**Why?**

**What future actions would you like us to consider under this Action Area?**

**Action Area: Improving industry compliance**

Strongly agree

**Why?**

Because like most organisations focussed on commercial gain if they can get away with anything they will try it.

**What future actions would you like us to consider under this Action Area?**

**Action Area: Research and investment in better mining and resource use**

Strongly agree

**Why?**

Because current practice does not take into account all of the impacts such activities have on our communities and environments.environments

**What future actions would you like us to consider under this Action Area?**

**Are there any other action areas you would like us to consider as part of advancing this Strategy?**

**Other**

**Are there any other comments you would like to make about the “Minerals and Petroleum Strategy for Aotearoa New Zealand: 2019-2029”?**

The strategy needs to be formulated in a way that does not impede the changes necessary as a result of the progression of climate change.
