To: Hydrogen
Subject: Green Paper: Some facts and figures

Background material:

I suggest that the video from this 2018 item comparing battery electric vehicles with hydrogen powered vehicles be included as a resource together with the other items of feedback from this month's consultation on the green paper "A vision for hydrogen in New Zealand"

<https://insideevs.com/news/338704/whats-the-real-truth-about-hydrogen-fuel-cell-vehicles/>
