Do you have a view on the proposed 1.72 percent and 2.05 percent increases to the payments to treatment providers listed in Table 1 in the discussion document? Please provide reasons for your view.

I support the proposal. It's a very generous increase

Do you have a view on the proposal to split out classes of Specified Treatment Providers into the separate classes shown in Table 1 in the discussion document, so payment rates can be differentiated in the future? Please provide reasons for your view.

Fantastic idea - acupuncturists are about as useful as a cold fart

Do you have a view on the proposed 2.05 percent increase to the payments to Audiologists listed in Table 2 in the discussion document? Please provide reasons for your view.

Yes, it is a fantastic idea. I would like mechanical ears when I'm old

Do you have a view on removing all provisions that require deductions from regulated dental payments? Please provide reasons for your view.

Yes because the current provisions unfairly penalise those who look after their teeth

Do you have any overall comments that you would like to make on the review or recommendations?
