4. Priority updates

Project name	Description/ update
Northland Announcement	<p>The three Northland mayors have jointly launched the “Kia Kaha Northland” campaign, whose aim is to generate support for bringing five large infrastructure projects to the region.</p> <p>The projects are: a \$240 million drydock; a Royal New Zealand Navy base in Whangarei to replace the current one in Devonport, Auckland; the Northport expansion which would accept cars and containers currently entering through Auckland, as well as exports from Northland and elsewhere; the four-lane highway from Auckland to Whangarei; and the fast tracking of a double-tracked rail line from West Auckland to Whangarei, including the planned spur to Marsden Point.</p> <p>180,000 Northlanders are being encouraged to support the campaign. A ‘Kia Kaha Northland’ campaign promotional video has been launched on Facebook and other social media accounts. The projects are being promoted as a ‘once in a lifetime’ opportunity for Northland.</p>

Infrastructure New Zealand	<p>Infrastructure New Zealand held its first regionally-based Board meeting in Whangarei on 4 February 2020. Whangarei was selected as it is a growth region, and Board members met with leaders from government, the private sector and the community. A series of visits highlighting possible locations for future infrastructure projects were held. Infrastructure New Zealand CEO Paul Blair commented on the Government's infrastructure spend in the region and encouraged partnerships supporting the region through the employment of locals (including local apprentices), and sourcing materials from the region. He also noted that the investment recognised ongoing historic levels of under-investment in the region.</p>

5.3 Te Ara Mahi (TAM)/He Poutama Rangatahi (HPR) updates

PGF funded Skills and Employment Programmes through Te Ara Mahi

Since the initial Te Ara Mahi (TAM) funding of \$80 million was announced a year ago, \$72.160 million of funding for TAM projects, including \$11.800 million for He Poutama Rangatahi (HPR) projects, has been approved.

The approved funding covers Comm projects to date. These projects provide support through the provision of career pathways advice to school-leavers training for NEETS of all ages, and the upskilling of individuals who are in employment. A significant number of these projects, are still in their early stages of implementation.

Commercial Information

Funding of \$26 million has been transferred to MBIE as an outcome of Budget 19 and \$^{Commercial Information} of this has also been approved for HPR projects.

PGF and HPR Forestry Training Schemes

The decision to shut wood processing factories in China to slow the spread of the Coronavirus is already impacting the forestry industry in New Zealand. In Tairāwhiti, for example, all logging activity was stopped from midnight on Wednesday 5 February. Other regions will also be affected.

There are a number of Te Ara Mahi and He Poutama Rangatahi training programmes linked to the forestry industry and it is inevitable they will be impacted. We will continue to maintain close contact with our training providers to help them manage their programmes through this downturn.

6. Policy Updates

6.1 Policy

Upper North Island Supply Chain work programme to May 2020

Minister Twyford met last week with the Mayors, Chairs and Chief Executives from the Upper North Island Strategic Alliance to discuss the Upper North Island Supply Chain Strategy (UNISCS) work. Those present discussed the need to find a way to work through constraints that may be created by Commerce Commission requirements for the collection of information to underpin this work.

Next week, officials will present on the project to the Auckland Council Planning Committee; the Ministry of Transport Chief Executive is meeting with Port Chief Executives on the GPS 2021, the draft New Zealand Rail Plan and the UNISCS work; and the consultancy supporting the UNISCS work (Commercial Information) start a series of technical workshops to gather information from those with specialist knowledge. These are being hosted by the port companies.
