

New Zealand Customs Instructions

Galvanised wire from Malaysia

December 2020

1. Introduction

These Customs instructions replace all previous instructions concerning galvanised wire from Malaysia. Any queries concerning these instructions should be directed to the Trade Remedies team of the Ministry of Business, Innovation and Employment. Contact details are given at the end of these instructions.

Anti-dumping duties were first imposed on imports of galvanised wire from Malaysia in May 2004. The anti-dumping duties have been subsequently reviewed several times.

The rates of anti-dumping duty in these instructions are the result of the most recent full review completed in 2020 and apply from the day after the date the Gazette notice was published.

2. Goods Subject to Anti-Dumping Duties

Description

The goods which are the subject of the full review, hereinafter referred to as galvanised wire, or “subject goods”, are:

Galvanised steel wire of high, medium and low tensile strength between (and including) 2mm and 4.5mm in diameter, excluding armouring wire.

Country of origin

The country of origin of the subject goods is Malaysia

3. Anti-Dumping Duties

Description

Anti-dumping duties are imposed in the form of an ad valorem (percentage) rate, where the amount of anti-dumping duty payable is the Customs value for duty (VFD) multiplied by the percentage rate.

Rates of duty

The rates of duty are set out for each supplier in Table 1 below.

Table 1

Malaysian producer	Goods	Duty
Chin Herr	All subject goods	19%
Wei Dat	All subject goods	No duty
All other producers	All subject goods	19%

Method

Chin Herr Industries (M) Sdn. Bhd. (Chin Herr)

All imports of galvanised wire: An ad valorem (percentage) rate of 19% has been set when entering for home consumption. This is calculated as **19% of the VFD.**

Wei Dat Steel Wire Sdn. Bhd. (Wei Dat)

All imports of galvanised wire from Wei Dat, fitting the goods description set out in section 2, shall enter for home consumption free of anti-dumping duties.

Other subject goods and other suppliers

All imports of galvanised wire from all other suppliers from Malaysia, fitting the goods description set out in section 2, shall be charged an ad valorem (percentage) rate of 19% when entering for home consumption. This is calculated as **19% of the VFD.**

4. Further Information
