INCIDENT REPORTS AND KEY MESSAGES

This section reports on any incidents in the last 24 hours that present a potential or actual risk to public health and any key messages about MIQ.

07 February 2021 – No incidents to report.

* MIQ is safely operating within its operating contingency while the Pullman Auckland is not accepting new returnees. For a short period of time, a small number of vouchers which are usually re-released will not be. This is to ensure that we can absorb any further unexpected situations safely. Vouchers set aside for Emergency Allocation and all currently allocated vouchers are not impacted by this decision.
