**Subject:** Re: Extension please for PVR feedback [UNCLASSIFIED]

[REDACTED]

My only submission I have for the PVR is around representation skill sets for the membership of the Maori Advisory Committee would be:

- Commercial experience around the PVR process and the breeders
- International instruments and Domestic policy processes
- Treaty of Waitangi exception clause pathway domestically
- Cultural insight of Creating a Taonga species and Kaitiakitanga registry to help the process and the breeders.

Very sorry for the late submission...

Regards

John Tiatoa
