

Renovation of Marae Expression of Interest

About this form

The purpose of this form is for potential proposals for the Renovation of Marae to be submitted to the Provincial Growth Fund (PGF) for review.

The Provincial Development Unit (PDU) is working closely with Te Puni Kōkiri (TPK) on this programme. Your regional TPK lead will be able to assist you in the development of your proposal.

All potential projects will be assessed against the following PGF COVID-19 response criteria:

- Immediate job creation;
- Timeframe for construction activity;
- Degree of visibility to the community.

Proposals are expected to create employment for vulnerable groups that are most likely to suffer job losses due to COVID-19. This may include Māori and Pasifika workers, but this group will be determined in each region.

In order to qualify for funding, marae must meet the following criteria:

- Be in a PGF eligible region *and*
- Be on land gazetted for the purpose of a marae *and*
- Be submitted by trustees of the Māori reservation or another legal entity (that has been approved by the trustees of the Māori Reservation to apply for PGF funding on their behalf)

Exclusions

- Kura or Wānanga Marae, or any other institutionally supported marae such as universities, polytechnics etc.
- New builds.

Exceptions

- Exceptions to the eligibility criteria may be collectively considered on a case by case basis.

Please email your completed form to PGF@mbie.govt.nz.

By submitting your form, you are agreeing to the terms and conditions of applying for PGF investment which can be found in Appendix 1.

Section 1: Key Applicant Information

1. Proposal Title:

Te Reureu Cluster

2. Please provide a very brief description of the project/activity:

This project is for renovation of a cluster of Marae – Te Reureu Cluster. The umbrella entity for this cluster is **Reureu Kotahitanga Limited**. All details relating to the Incorporation have been provided within this EOI. The project will be owned by each Marae with **Reureu Kotahitanga Limited** providing the back-office functions and support. **Reureu Kotahitanga Limited** will also be responsible for reporting against all contract deliverables, ensuring contractor payments are made and that the overall project is on budget and on schedule. **Reureu Kotahitanga Limited** will contract a Programme Manager to carry out the day-to-day aspects for this Cluster. Each Marae within the cluster has fully endorsed (in writing) the utilisation of the umbrella entity **Reureu Kotahitanga Limited**.

This application is for co-funding for the renovation of a cluster of six individual marae, which is part of a larger, whole of region approach to marae restoration, renovation, and refurbishment. The scope and scale of the works vary from ground maintenance, to roofing, whare upgrades, ablution block upgrades, electrical upgrades and restoration of whakairo. This work is considered priority and has been submitted with the full endorsement of the individual Trusts and Committees. A full breakdown of these individual components is presented in Section 2: Project Overview.

Project Overview information for each marae included in this cluster has been provided individually with a summary of that information provided below. Marae included in this cluster are:

1. Te Hiiri Marae
2. Te Tikanga Marae
3. Taumata o te Rā Marae
4. Parewahawaha Marae
5. Poupatate Marae
6. Kauwhata Marae

It is anticipated that additional Expressions of Interest for this Te Reureu Cluster will be submitted as they become ready in the next few days.

Reureu Kotahitanga Limited are seeking \$ Commercial Information (GST excl.) towards the renovation costs.

The programme of work would start within Commercial Information of funding contract being signed, with a full builders' report for each marae being completed in week one. A builders report will ensure that post the renovation work, the development of maintenance plans and schedules of works can be completed which will in turn lead to an additional pipeline of activities and broader programme of work in readiness when more funding becomes available.
