Survey - BNPL

Hi there

I completed the online survey but it didn't give me the opportunity to make comments.

On the question that said "would you like a programme that allows you to keep track of your BNPL purchases" I chose no, as I use the Afterpay app which shows all my upcoming payments.

I can choose to pay them early which i often do. I have never missed a payment due and Afterpay has a good reminder service which sends a text and email.

I don't have any debt apart from our mortgage and I don't have a credit card.

I can afford to pay the full amount of purchases but prefer to spread out the cost.

Cheers
