PURPOSE OF THIS UPDATE

This document is a quarterly update to the Cabinet Economic Development Committee that shows progress being made on PDU-managed investments across Aotearoa New Zealand.

The enclosed regional dashboards show funding levels paid against the 1,724 projects under the PDU's direct and indirect management. It covers investments made through the following funds:

- Provincial Growth Fund
- COVID-19 Response and Recovery Fund (Infrastructure Reference Group investments)
- New Zealand Upgrade Programme (Regional Investment Opportunities tagged contingency)
- Strategic Tourism Asset Protection Programme
- Worker Redeployment
- He Poutama Rangatahi
- Māori Trades Training Fund
- Sector Workforce Engagement Programme

Where payments have not been made or where contracts have not been signed, commentary has been provided.

The information contained in this document is commercially sensitive and should not be distributed.

OVERVIEW OF THE PROVINCIAL DEVELOPMENT UNIT

Established in February 2018, the Provincial Development Unit (PDU) was set up to administer investments made through the Provincial Growth Fund (PGF) and to manage existing investments made through the Regional Growth Initiative and skills and training projects through the He Poutama Rangatahi and Sector Workforce Engagement Programme.

In light of the COVID-19 global pandemic, the PDU's financial management mandate was expanded to administer an extra \$1.5b worth of funding across eight funding streams including the COVID-19 Response and Recovery Fund and the New Zealand Upgrade Programme.

Provincial Development Unit Project Status Report

Overview of the Provincial Development Unit's (PDU) project portfolios. The PDU has a role in the management of eight key funds with **1,730** projects under management for a combined total of **\$4,532.1m** as at **27 April 2021**¹.

Definitions: Total Funding - the value appropriated into the relevant fund to administer; Approved Funding - funding approved at an individual project level; Contracted Funding - funding written into signed agreements with recipients or transferred to a partner agency to administer; Cash Paid - funding disbursed from the relevant agency to the recipient.

1. Partner Agency Data as at 31 March 2021, Provincial Development Unit (PDU) Data as at 25 April 2021. The total fund value is a representation of the post-OBU appropriated value for each fund and includes uncommitted funding and operational expenditure. The Provincial Growth Fund (PGF) totals more than \$3b as funding was transferred from Regional Investment Opportunities as part of the COVID-19 response.
 2. The number of approved projects for the COVID-19 Response and Recovery Fund: Infrastructure Reference Group has increased due to administrative changes – splitting elements of existing projects - and has no impact on the approved value.
 3. The approved figure and number of approved projects for the Provincial Growth Fund have increased due to the approval of four new He Poutama Rangatahi projects.
 4. This funding includes \$27.5m from the Jobs and Skills Hubs and the remaining \$7.6m from the existing Sector Workforce Engagement Programme (SWEP) funding. SWEP funding is all operational and there are no projects funded from this appropriation.
