I would like to make a submission regarding the NZIIS.

I support the Green Party concerns regarding this scheme. There must be comprehensive support across all income systems, with welfare reform, before NZIIS is introduced. NZIIS must be as equitable and inclusive as possible. If these systems do not address the problems our culture is facing, we will, ultimately, all be the losers.

Please consult the Greens for specific issues to be addressed.

Thank you,  
Susan Washington
