Page 12: Regulating in line with our national interests

Q32

Are there any comments you would like to make about these criteria that inform consideration of the national interest?

The question for me is not about national interest, but how honest and transparent the government is about what they in fact are doing. To my mind, they don't score very high so far on those grounds.

Q33 **Respondent skipped this question**

What questions do you have about how the national interest is considered in practice?
