Tēnā koe [REDACTED]

My apologies for this late request to accept my submission to the aerospace strategy and the aerospace policy review [REDACTED]

Submission of Pauline Eunice Tangiora Elder, Grandmother Rongomaiwahine tribe.

I am very much aware there has not been a tribal meeting to discuss these important issues.

As I have been involved in the nuclear free legislation and the takutaimoana legislation I believe I have an understanding of what you should be aiming for with this review and strategy.

Nothing in this legislation that you are putting together should over ride Nuclear policy .

Takutaimoana legislation is in force for the tribe. The ocean in their area which the hapu is responsible for looking after. Therefore no legislation can close off the ocean for rockets to be launched.

Further consultation is requird.

Noho ora mai

In peace,
Pauline E Tangiora
