If you would like to say something more about your answer to Question 10, please do so here:

This makes life unnecessarily difficult and expensive for "non plumbed-in" toilet vehicles. Most of which are good, clean, respectful campers. Both toilet options work. Our "problem campers" are still going to mess with our free-camping areas, regardless of such regulations. So only pain with no gain for your good camper, and the problems go on without a meaningful solution being proposed.
