Page 16: General comments

**Q62**

Are there any other comments you would like to make about the proposed freedom camping regulations?

I am in support of strong regulation for vehicles and locations used by touring vehicles built for the purpose of vehicle camping. I would not want to see this legislation affect trampers, hunters or other outdoors activities from sleeping in a vehicle at the road end rather than driving tired. I support massive penalties for those who do not use the facilities provided at designated sites or their self contained facilities.
