Q12

Agree

To what extent do you agree with Option 1: Multiple-pathway approval criteria and competency requirements?

Q13

If you would like to say something more about your answer to Question 12, please do so here:

As a builder I have spoken to several plumbers who are working in the field and as a result I phoned another 50 (I understand that you would have done your own survey)

My result's were that 68% of the plumbers knew nothing about motor Homes or camper-vans and 72% were not interested in finding out or doing inspections .Do my results compare with your results?

Q14

Strongly disagree

To what extent do you agree with Option 2: more rigorous and prescriptive certification approval criteria?

Q20

Strongly disagree

To what extent do you agree with Option 2: requiring vehicle inspectors to have a relevant trade qualification?

Q21

If you would like to say something more about your answer to Question 20, please do so here:

This would exclude a lot of perfectly qualified persons. If I may use my own example I have been in the building trade for over 40 years and have at least 20 years full time in the building of Motor Homes and camper-vans and yet I don't have a trade Qualification

Q22

Strongly disagree

To what extent do you agree with Option 3: requiring vehicle inspectors to be assessed as "fit and proper"?

Q23

If you would like to say something more about your answer to Question 22, please do so here:

I'm just not sure who would have the on the ground knowledge or experience to approve a person as being a fit and proper person

Page 7: Deeming plumbers as certification authorities and vehicle inspectors

Q24

Strongly disagree

To what extent do you agree that certifying plumbers should be deemed as certification authorities and vehicle inspectors under the new regulations?

Q25

If you would like to say something more about your answer to Question 24, please do so here:

As previously noted...As a builder I have spoken to several plumbers who are working in the field and as a result I phoned another 50

(I understand that you would have done your own survey)

My result's were that 68% of the plumbers knew nothing about motor Homes or camper-vans and 72% were not interested in finding out or doing inspections .again do my results compare with your results? to be fair I have only spoken with the guys doing the plumbing not head office

Q44

Agree

To what extent do you agree with Option 2: excluding smaller freedom-camping vehicles from the requirement to have a fixed toilet?

Q45

If you would like to say something more about your answer to Question 44, please do so here:

I'm Not sure what the difference between a cassette and a portable toilet is they both have holding tanks which can be discharged at a dump station. The only thing I can think of is that it is more difficult to install a fixed toilet in a small van this may exclude the poorer people from freedom camping

Q46

Agree

To what extent do you agree with Option 3: excluding vintage vehicles from the requirement to be certified as self-contained?(A vintage vehicle is one that is at least 40 years old)
