SCHEDULE 1 - DETAILS**1 Context**

- 1.1 Government has at times provided financial assistance and support for businesses in times of disasters. Recognising that adverse events are unique and affect communities and businesses in different ways, bespoke packages are developed for events at Ministerial discretion.
- 1.2 Cyclone Gabrielle has caused large-scale property and infrastructure damage in the upper and eastern North Island of New Zealand, bringing extensive disruption to communities and businesses. It is expected to be the most significant weather event New Zealand has seen since Cyclone Bola in 1988.
- 1.3 On 14 February 2023, following the declaration of local states of emergency across seven regions, a National State of Emergency was declared.
- 1.4 Cyclone Gabrielle meets the threshold for providing emergency business support, on the basis that it has had a sudden, significant and sustained impact on small businesses in impacted regions that is beyond their capabilities, and that of the local business community, to respond effectively.
- 1.5 On 20 February 2023, Cabinet agreed to deliver an interim business support recovery package which includes discretionary funding for cyclone recovery of up to \$25.0m.
- 1.6 The Ministry will fund the Recipient to address cyclone-impacted businesses' immediate cash-flow needs, with a secondary objective being to position businesses for a successful recovery.

2 Appropriation and approval process (Background)

- 2.1 Funding is from a non-departmental other expense appropriation Economic Development: Business Support Packages appropriation within Vote Business, Science and Innovation, authorised by Joint Ministers on 20 February 2023.

The Business Support Grants Programme's purpose is to support viable businesses within the regional boundaries of Masterton District Council, Carterton District Council, and South Wairarapa District Council significantly impacted as a direct result of Cyclone Gabrielle to assist with specific business needs

- (b) \$10,000 (plus GST if any) to establish and administer the Business Support Grants Programme (such arrangements to be documented in the operational plan that the Recipient will prepare under clause 4 of this Schedule 1 below)

3.2 The Recipient will hold the Funding in a separate bank account until it can be distributed in accordance with clause 4 of Schedule 1 to this Agreement. Any interest earned by the Recipient on the Funding must be applied to distributions made in accordance with this Agreement.

3.3 Administration costs (referred to in clause 3.1(b)) will be incurred by the Recipient to deliver the Funding. Funds will be sourced from within the total Funding. Administration costs of the Recipient may include the costs to design, manage and report on the Business Support Grants Programme.
