	Yes. NZAPI strongly agrees that no regulations should be made at this stage under section 254(1)(h). Members should be free to determine whether or not they wish to amend/negate/limit/modify the conflicts of interest provisions in the society's constitution, without further restrictions.

	NZAPI proposes defining "total current assets" in reference to accounting standards relevant to the entity, excluding fixed assets, where fixed assets are those items of property, plant, and equipment which are not expected to be sold in the ordinary course of the society's activities within 12 months after the society's balance date". In our view, where a society might be considering a one-off sale of a fixed asset within the next year, that alone should not mean that fixed asset becomes a current asset.
