24 April 2023	<p>Work on partnerships with large emitters is progressing well, and we are working with EECA and your office on materials to support the announcement of the first partnership.</p>				
17 April 2023	<p>The first significant GIDI partnership with a very large emitter is tracking for a May 2023 announcement. We expect to seek approval from you and other delegated Ministers to finalise the funding agreement in early May.</p>				
3 April 2023	<p>The first significant GIDI partnership with a very large emitter is in final negotiations and is tracking for a May 2023 announcement. We are developing terms of reference for an officials' group to provide a forum for the recipient and government representatives to discuss matters relating to the decarbonisation investment. As agreed, you will sign off on the final terms of this deal with other delegated ministers.</p>				
27 March 2023	<p>We are preparing for the next phase of work on the significant GIDI decarbonisation project by a large emitter on which you recently briefed Cabinet. We will continue to liaise with your office, EECA, MfE</p>				

	and (at the appropriate time) the recipient on a communications plan. We are developing a terms of reference for the officials' group that will discuss any related policy or implementation issues with the recipient, and we will share this with you in due course. We envisage briefing you and the other Ministers delegated to approve the final deal in April.
20 March 2023	On 13 March Cabinet approved your paper <i>Engagement with very large emitters: investment package for significant decarbonisation proposal</i> . We are preparing to support EECA through the next phase of negotiations, and developing a communications plan for the potential announcement, should negotiations conclude successfully.
13 March 2023	DEV considered the paper <i>Engagement with very large emitters: investment package for significant decarbonisation proposal</i> on 8 March 2023 and no changes were made. Cabinet will consider the paper on 13 March. We are preparing to support EECA through the next phase of negotiations, and developing a communications plan for the potential announcement, should negotiations conclude successfully.
6 March 2023	We provided your office with a final cabinet paper <i>Engagement with very large emitters: investment package for significant decarbonisation proposal</i> (briefing 2223-2787 refers). The paper will be considered at DEV on 8 March 2023 and Cabinet on 13 March 2023.
27 February 2023	The draft Cabinet Paper <i>Engagement with very large emitters: investment package for significant decarbonisation proposal</i> is in concurrent Ministerial and departmental consultation until 28 February. The paper is on track to be considered at DEV on 8 March and Cabinet on 13 March.
20 February 2023	You met with Hon James Shaw and Hon David Parker on 13 March 2023 to discuss a proposed decarbonisation investment agreement with a significant large emitter. We are preparing a Cabinet paper to progress the decisions from this meeting.
12 December 2022	MBIE, EECA and MfE have briefed you and the Minister for Climate Change on Engagement with Large Emitters on Significant Decarbonisation Projects [2223-2099 refers]. We are seeking your feedback on this briefing by 15 December.
5 December 2022	

	<p>The GIDI Senior Officials Group met on 2 December to discuss the Partnerships Large Emitters workstream. MBIE, EECA and MfE will brief you and the Minister for Climate Change on a proposed approach to decision-making delegation for these types of GIDI funding agreements in the coming weeks.</p>
