Electricity Price Review – Stakeholder update

Dear All,

I am writing with a brief update.

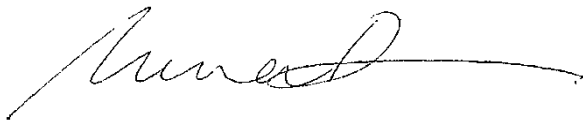

Due to some technical issues, and the number of detailed submissions received, these have been uploaded to the website two days later than intended.

I am pleased to let you know that the submissions are now live on the MBIE website and can be accessed via the following link (<https://www.mbie.govt.nz/info-services/sectors-industries/energy/electricity-price-review/submissions>). Analysis of submissions is underway, but we expect this will take some time.

Thank you for your patience.

As indicated in my last update, I should be in a position to advise how we intend to approach the next stage of the review, mid – November.

Yours sincerely
