**Subject:** charities review for Audit requirements

Hi,

I believe the threshold for audited reports should be \$1m and over, not \$300K as this will put a large financial stress on Charities. In our town there are no Auditors which are only available in the Cities it seems at city rates.

Recommendation:

Review required from \$200K to \$999K

Audit required \$1m and over.

Chair / Trustee  
Kaimai Family Television Network Trust
