**Cc:**  
**Subject:** Audit and assurance for larger registered charities

Good morning Financial Reporting

Thank you for the opportunity to make a submission on the discussion paper entitled *Auditing and Assurance for Larger Registered Charities* released by the Ministry of Economic Development.

The committee of the Raglan Community Arts Council proposes that the option with a turnover level of \$200,000 should be adopted.

The benefits to the public, other charities and funders exceed the cost of the compulsory audits.

Thank you

Rodger Gallagher  
Chairperson

Raglan Community Arts Council
