A few years ago I lost my job I was on a 3 month trial period and it was terminated at the end of the trial period. I had autosure payment protection. They refused to payout anything because they said it was a temporary job. It wasn't it was full time employment and wasn't a temporary job. I almost lost my car because I couldn't afford to make the payments I was lucky enough to have a family member that helped me. This is a seriously flawed insurance company policy.
