Vision

Do you agree or disagree with the overall vision for the minerals and petroleum sector in New Zealand?

Agree

Why?

It must be environmentally responsible

What is your vision for the minerals and petroleum sector in New Zealand?

World leading in that it is so environmentally responsible

How can New Zealand sustainably derive value from its petroleum and minerals resources?

Stop the oil extraction - it's too damaging

Objectives for the minerals and petroleum sector

Objective for a sector that: "Responsibly delivers value for New Zealand (a) Supporting a productive, sustainable and inclusive economy (b) Supporting New Zealand's transition to a carbon neutral economy".

Agree

Why?

Please let's phase out fossil-fuel extraction! Like the bit about supporting a carbon neutral economy

Objective for a sector that: "Is productive and innovative".

Disagree

Why?

Don't want a productive fossil-fuel sector.

Objective for a sector that: "Is effectively regulated".

Strongly agree

Why?

Strong regulators who are putting the environment first

Are there any other objectives for the minerals and petroleum sector that you would like us to consider in the strategy?

Guiding principles

Principle: The environment, ecosystems, and biodiversity are respected now and in the long term.

Strongly agree

Why?

We only have one planet - let's take care of it

Principle: Māori cultural interests are understood and respected.

Neither agree nor disagree

Why?

Principle: Support the transition to a carbon neutral economy by 2050.

Strongly agree

Why?

Most important thing!

Principle: The impact on people, communities and regions are managed in a just and inclusive way.

Strongly agree

Why?

Principle: Support a circular economy by meeting resource needs through resource efficiency, recycling and reuse.

Strongly agree

Why?

Principle: Actions taken within the mineral and petroleum sector should align with the strategic direction of other related sectors and Government strategies.

Strongly agree

Why?

As long as we are putting the needs of the environment first

Do you agree or disagree with each of the following principles for the Crown?

Principle: The Crown honours its duty towards Māori as a Treaty partner, adheres to the Principles of the Treaty of Waitangi and its duty to meet settlement commitments.

Agree

Why?

Principle: The Crown receives a fair financial return for its minerals and petroleum.

Strongly agree

Why?

It is NZ's resource, we can't give it all away.

Principle: The Crown regulates in a way that is fair, transparent, reasonable and proportionate.

Agree

Why?

Not too fair to the companies who are ruining our environment. Treat them with distaste

Principle: The Crown honours the rights of current permit holders to continue production or exploration activities under existing permits.

Strongly disagree

Why?

No - they have to go. I would rather go without or pay more for fuel knowing that NZ is protecting it's environment

Principle: The Crown makes policy decisions based on the best evidence, and accounting for the foreseeable need for minerals and petroleum, both now and for future generations.

Strongly disagree

Why?

More focus on cleaner and safer energy please

Principle: The Crown proactively engages and consults with relevant stakeholders and decisions are communicated in a clear and transparent way.

Strongly agree

Why?

Do you agree or disagree with each of the following principles for Industry?

Principle: Pursue continuous improvements in health and safety.

Strongly agree

Why?

Principle: Strive to implement industry best practice in operations.

Strongly agree

Why?

Principle: Seek innovative ways to improve the resource efficiency of extraction operations; and minimise the negative impacts of these operations.

Strongly agree

Why?

This should be a vital and non-negotiable crucial part of any contract

Principle: Engage with stakeholders and implement management systems to understand and manage impacts, and realise opportunities for redress where needed.

Strongly agree

Why?

Are there any other principles you would like us to consider in the strategy?

Be strong and fight for NZ's environment
