ceasing all use or as much as is possible as quickly as possible

Guiding principles

Principle: The environment, ecosystems, and biodiversity are respected now and in the long term.

Neither agree nor disagree

Why?

Its not strong enough, this would be better: 'Principle: The environment, ecosystems, and biodiversity are prioritised ahead of profit now and in the long term'

Principle: Māori cultural interests are understood and respected.

Neither agree nor disagree

Why?

Its not strong enough, this would be better: 'Principle: Māori cultural interests are understood and prioritised before profit.'

Principle: Support the transition to a carbon neutral economy by 2050.

Strongly disagree

Why?

Thats too far away - bring it forward to 2025

Principle: The impact on people, communities and regions are managed in a just and inclusive way.

Neither agree nor disagree

Why?

Try this instead: 'Principle: The impact on people, communities and regions are managed in conjunction with the people, communities they will affect. '

Principle: Support a circular economy by meeting resource needs through resource efficiency, recycling and reuse.

Strongly agree

Why?

Principle: Actions taken within the mineral and petroleum sector should align with the strategic direction of other related sectors and Government strategies.

Strongly agree

Why?

Do you agree or disagree with each of the following principles for the Crown?

Principle: The Crown honours its duty towards Māori as a Treaty partner, adheres to the Principles of the Treaty of Waitangi and its duty to meet settlement commitments.

Strongly agree

Why?

Principle: The Crown receives a fair financial return for its minerals and petroleum.

Strongly agree

Why?

Principle: The Crown regulates in a way that is fair, transparent, reasonable and proportionate.

Strongly agree

Why?

Principle: The Crown honours the rights of current permit holders to continue production or exploration activities under existing permits.

Strongly disagree

Why?

All permits should be revoked and all exploration halted immediately

Principle: The Crown makes policy decisions based on the best evidence, and accounting for the foreseeable need for minerals and petroleum, both now and for future generations.

Disagree

Why?

Principle: The Crown makes policy decisions based on changes that will be made to limit the foreseeable need for minerals and petroleum, both now and for future generations.

Principle: The Crown proactively engages and consults with relevant stakeholders and decisions are communicated in a clear and transparent way.

Neither agree nor disagree

Why?

All New Zealanders are stakeholders, it should be clear and transparently communicated publically
