

## Introduction

### Name:

Privacy of natural persons

### Email:

Privacy of natural persons

### Business name or organisation (if applicable):

Privacy of natural persons

### Position title (if applicable):

Privacy of natural persons

### Is this an individual submission or on behalf of a group or organisation?

Individual

### Please indicate which group you most identify with or are involved in?

General public

### Please specify the group that you most identify with

### Please indicate which type of group your submission represents.

### Please specify the group or organisation that your submission is on behalf of.

### Vision

### Do you agree or disagree with the overall vision for the minerals and petroleum sector in New Zealand?

Strongly disagree

### Why?

Mining for new coal is in no way conducive with the Government's Zero Carbon Bill

### What is your vision for the minerals and petroleum sector in New Zealand?

Phase out

### How can New Zealand sustainably derive value from its petroleum and minerals resources?

It can't. There is no such thing as sustainable when referring to the extraction of new fossil fuels.

### Objectives for the minerals and petroleum sector

### Objective for a sector that: "Responsibly delivers value for New Zealand (a) Supporting a productive, sustainable and inclusive economy (b) Supporting New Zealand's transition to a carbon neutral economy".

Strongly disagree

### Why?

As above.

### Objective for a sector that: "Is productive and innovative".

Strongly disagree

**Why?**

Working towards a transition to 100% clean and renewable sources of energy is innovative.

**Objective for a sector that: “Is effectively regulated”.**

Strongly disagree

**Why?**

Fossil fuels are not regulated in a way that is sufficient to mitigate negative climate impacts.

**Are there any other objectives for the minerals and petroleum sector that you would like us to consider in the strategy?**

Complete divestment from fossil fuel extraction and immediate transition to clean renewable energy.

**Guiding principles**

**Principle: The environment, ecosystems, and biodiversity are respected now and in the long term.**

Strongly disagree

**Why?**

As above

**Principle: Māori cultural interests are understood and respected.**

Strongly disagree

**Why?**

Respecting Papatuanuku while also destroying her is impossible.

**Principle: Support the transition to a carbon neutral economy by 2050.**

Strongly disagree

**Why?**

We need to be carbon neutral by 2030 in order to stay safely within 1.5% of warming

**Principle: The impact on people, communities and regions are managed in a just and inclusive way.**

Strongly disagree

**Why?**

**Principle: Support a circular economy by meeting resource needs through resource efficiency, recycling and reuse.**

Strongly disagree

**Why?**

**Principle: Actions taken within the mineral and petroleum sector should align with the strategic direction of other related sectors and Government strategies.**

Strongly agree

Why?

Do you agree or disagree with each of the following principles for the Crown?

**Principle: The Crown honours its duty towards Māori as a Treaty partner, adheres to the Principles of the Treaty of Waitangi and its duty to meet settlement commitments.**

Strongly disagree

Why?

**Principle: The Crown receives a fair financial return for its minerals and petroleum.**

Strongly disagree

Why?

**Principle: The Crown regulates in a way that is fair, transparent, reasonable and proportionate.**

Strongly disagree

Why?

**Principle: The Crown honours the rights of current permit holders to continue production or exploration activities under existing permits.**

Strongly agree

Why?

This is not a positive thing

**Principle: The Crown makes policy decisions based on the best evidence, and accounting for the foreseeable need for minerals and petroleum, both now and for future generations.**

Strongly disagree

Why?

You are ignoring the science

**Principle: The Crown proactively engages and consults with relevant stakeholders and decisions are communicated in a clear and transparent way.**

Neither agree nor disagree

Why?

Do you agree or disagree with each of the following principles for Industry?

**Principle: Pursue continuous improvements in health and safety.**

Neither agree nor disagree

Why?

**Principle: Strive to implement industry best practice in operations.**

Strongly disagree

Why?

**Principle: Seek innovative ways to improve the resource efficiency of extraction operations; and minimise the negative impacts of these operations.**

Strongly disagree

Why?

**Principle: Engage with stakeholders and implement management systems to understand and manage impacts, and realise opportunities for redress where needed.**

Neither agree nor disagree

**Why?**

**Are there any other principles you would like us to consider in the strategy?**

**Action areas intro**

**Action Area: Modernising the Crown Minerals Act**

Strongly agree

**Why?**

**What future actions would you like us to consider under this Action Area?**

Complete transition away from fossil fuels

**Action Area: Securing affordable resources to meet our minerals and energy needs**

Neither agree nor disagree

**Why?**

**What future actions would you like us to consider under this Action Area?**

**Action Area: Improving Treaty partnership**

Neither agree nor disagree

**Why?**

**What future actions would you like us to consider under this Action Area?**

**Action Area: Improving stakeholder and community engagement**

Neither agree nor disagree

**Why?**

**What future actions would you like us to consider under this Action Area?**

**Action Area: Improving industry compliance**

Strongly agree

**Why?**

In terms of transition

**What future actions would you like us to consider under this Action Area?**

**Action Area: Research and investment in better mining and resource use**

Strongly disagree

**Why?**

**What future actions would you like us to consider under this Action Area?**

**Are there any other action areas you would like us to consider as part of advancing this Strategy?**

**Other**

**Are there any other comments you would like to make about the “Minerals and Petroleum Strategy for Aotearoa New Zealand: 2019-2029”?**

**If you wish to, attach a document to this submission.**

**Use and release of information**

**We intend to upload submissions to our website at [www.mbie.govt.nz](http://www.mbie.govt.nz). Can we include your submission on the website?**

Yes

**Can we include your name?**

No

**Can we include your email address?**

No

**Can we include your business name or organisation?**

No

**Can we include your position title?**

No

**Can we include the group you most identify with (if submitting as an individual)?**

Yes

**Can we include the group your submission represents (if submitting on behalf of a group or organisation)?**

**If there are any other parts to your submission that you do not want public on the website please note them below:**

**OIA publishing warning**

**If there is information in your submission that you wish to remain confidential, please note them below:**
